Hugo Coto Flórez

Spain | hugo.coto@outlook.com | github.com/hugoocoto | hugocoto.com

Artist, as someone said that software development is not about creating beauty.

EDUCATION

University of Santiago de Compostela   Santiago de Compostela, Spain
Computer Science (Engineering)   *September 2023 — present*
- Relevant Coursework: Data Structures, Program Development, Microprocessors, Math, Low level optimization.

PROJECTS

Creator and Maintainer, Vicel   hugocoto.com/vicel
- Develop and maintain open-source spreadsheet TUI editor.
  ‣ Manage PR reviews, bug fixes, and add new functionality.
- Ensure smooth and stable user experience.

Developer, Fetch   github.com/hugoocoto/fetch
- Suckless style computer specs fetcher (yet another neofetch alternative).
  ‣ Fully customizable.

Developer, Piano   github.com/hugoocoto/piano
- Play piano from the terminal! (I still don't know how to play the piano.)
- Highly extensible, suckless-style configuration.
  ‣ The trickiest C code I've ever written.
